

Holiday Art Fun

January 2025

For more info about workshop dates, times, and prices - see the Holiday Art Fun Website. To book, simply DM me via WhatsApp or send a text to my personal phone number. Let's play and create!

Holiday Art Fun is a place to experiment, learn, and create at your own pace. With the guidance of a VIT registered Art Teacher - at my own home. Each day is a chance to immerse yourself in a new technique, experiment with your creativity, and play with friends (old and new.)

Children need the freedom and time to play. Play is not a luxury. Play is a necessity.

- Kay Redfield Jamison

Each day we will explore a specific technique tied to an artist, genre, or even a picture book! Through hands-on creation, participants will make unique artworks in a fun, relaxed, and supportive environment. *It's all about self-expression.* Leave with one or many pieces of art that are entirely your own; reflecting your creativity and personal journey.

This is a mixed-age program suitable for ages 5-12.

Art is more fun with friends!
